NOT LIKE OTHER BARS

- Alf Marr *The Mover & Shaker Sleep Paralysis Demon* -

A bartender with a rolodex of 'original' cocktails and mezcal riffs is a story told too often. So rather than retell it, allow us to introduce you to something a little more considered, seasonal & intentional. Our recipes respect the foundations of classics but aren't confined by them. They bend tradition without breaking the rules.

Enjoy them while they're here. They evolve & disappear, and they don't last forever.
